The team has created cute animals for the game that can heal people. When playing the simulation game, you will serve a variety of animals including tigers, pandas, zebras, penguins, and so on. Portraits of animals are of high quality. This is an ordinary simulation game that hangs empty. It is a really interesting idea that you will soon be interested in the game when running a spa. There are also many interesting hot springs and scenes in the game. The spa owner simulation game is rarely exclusive in the game if it is at least. Also, cute animals also have a big spot for the game. We really hope the game improves people. Game DescriptionWelcome to Animal Spa.
